

6.-21.5.2019 Donauwanderung

Etappe 12: Greci

Etappe 12: Greci

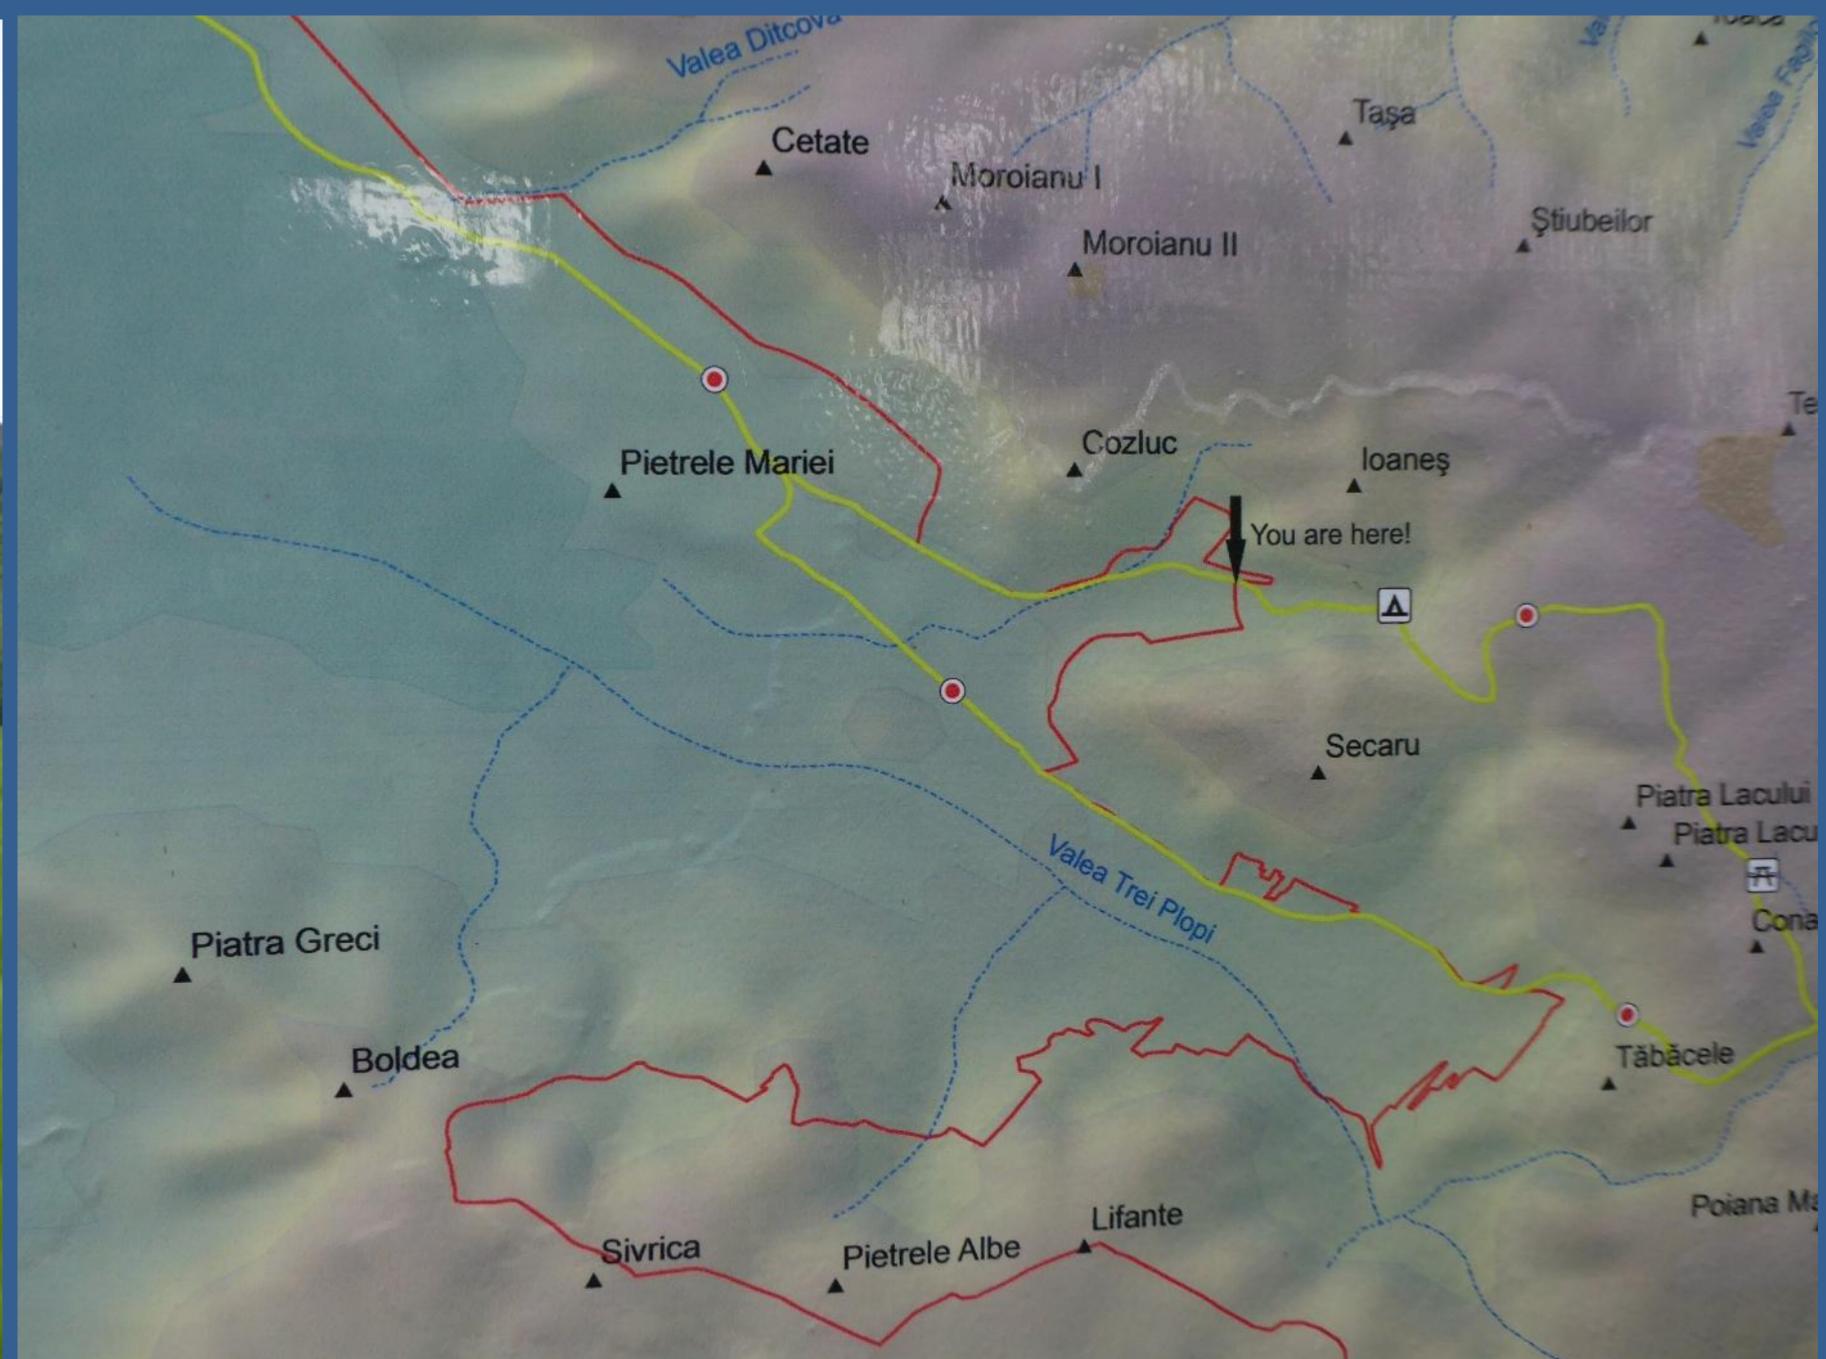

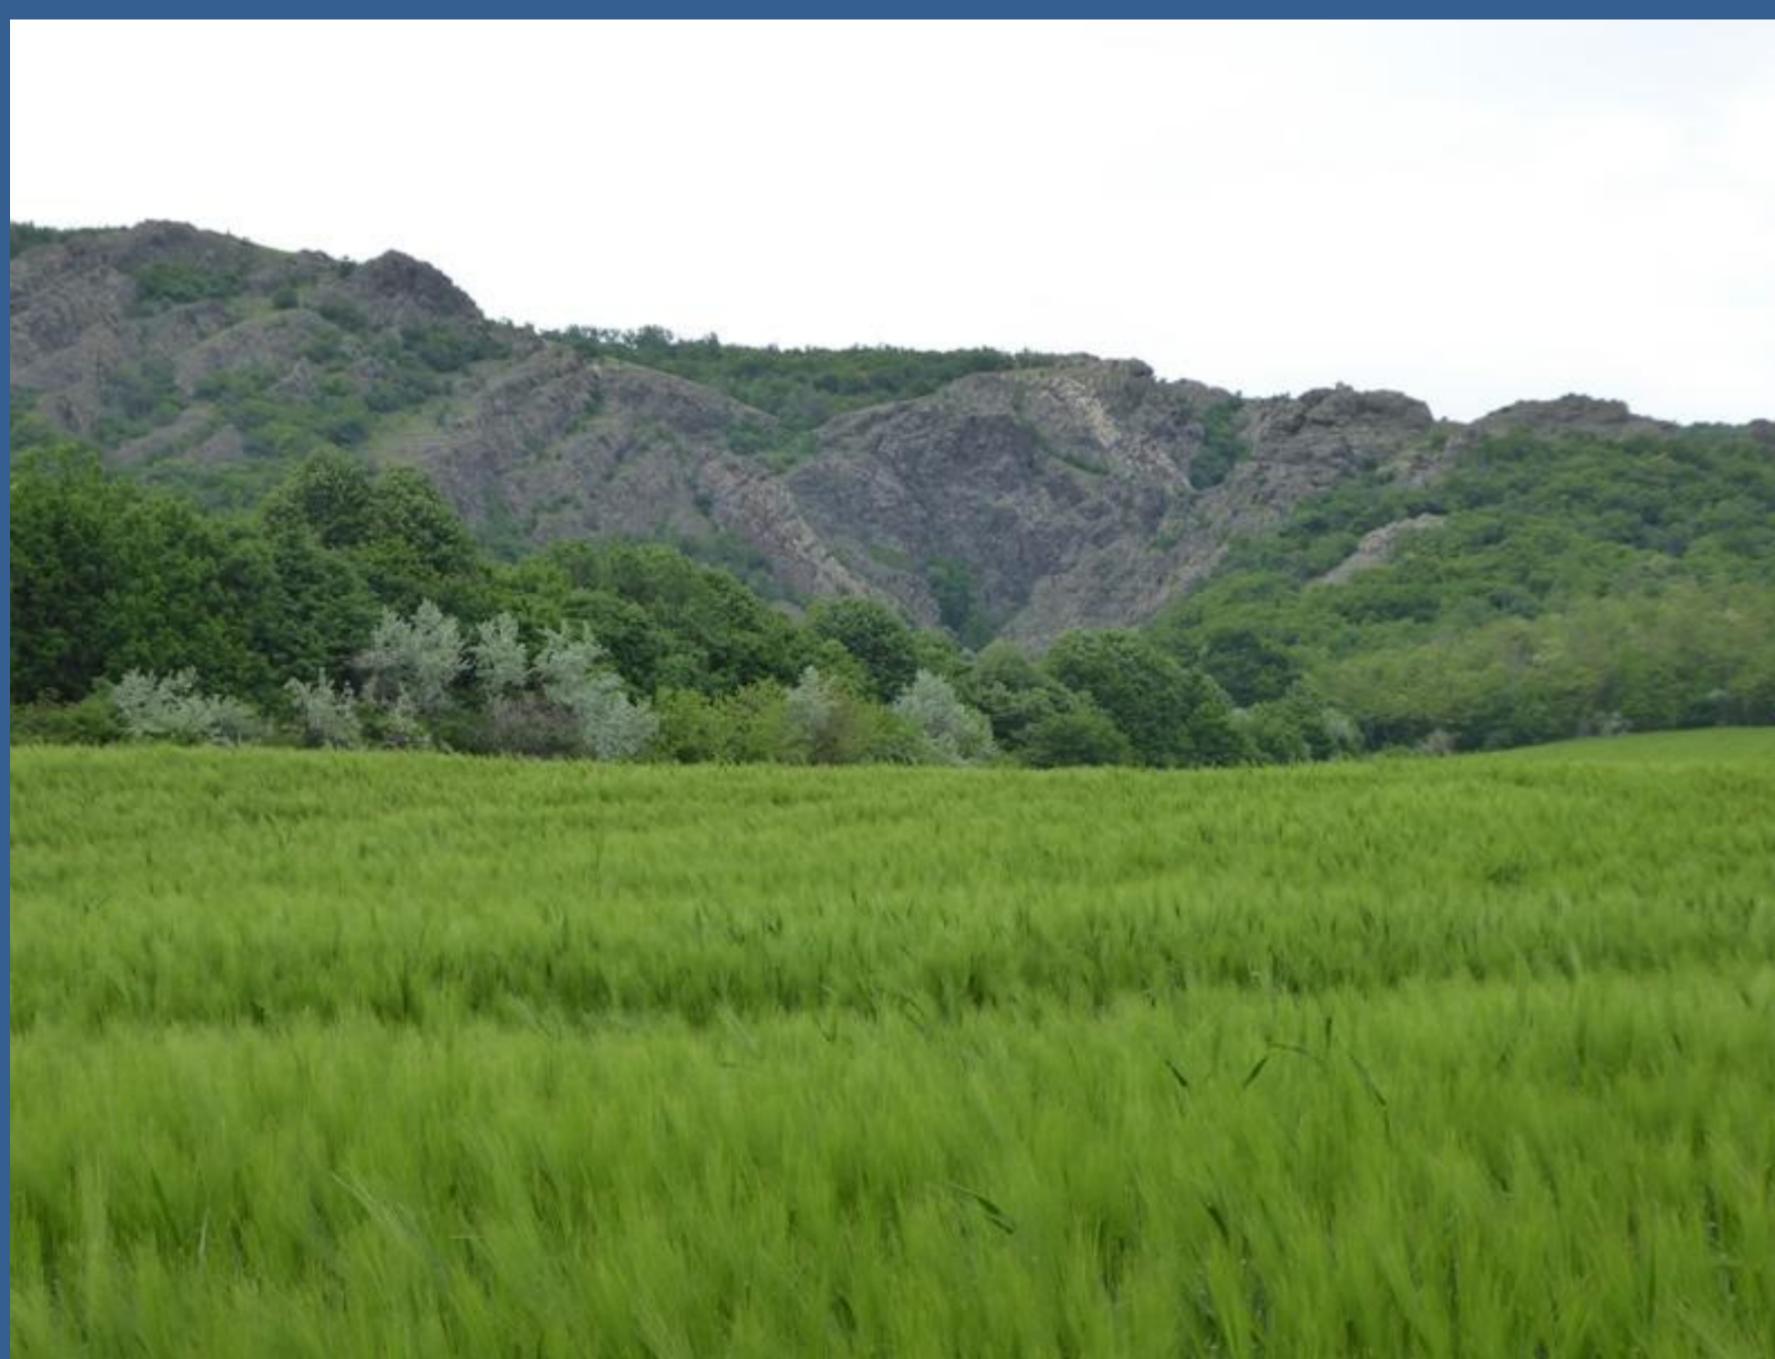

Übernachtung in Greci. Die Gastgeber kümmerten sich selbst um das hervorragende Frühstück.

In der Unterkunft trafen wir zwei deutschsprechende Rumäninnen, die extra wegen der nur eine Woche blühenden Pfingstrosen gekommen waren. Auch fanden sie in den Bergen Schildkröten.

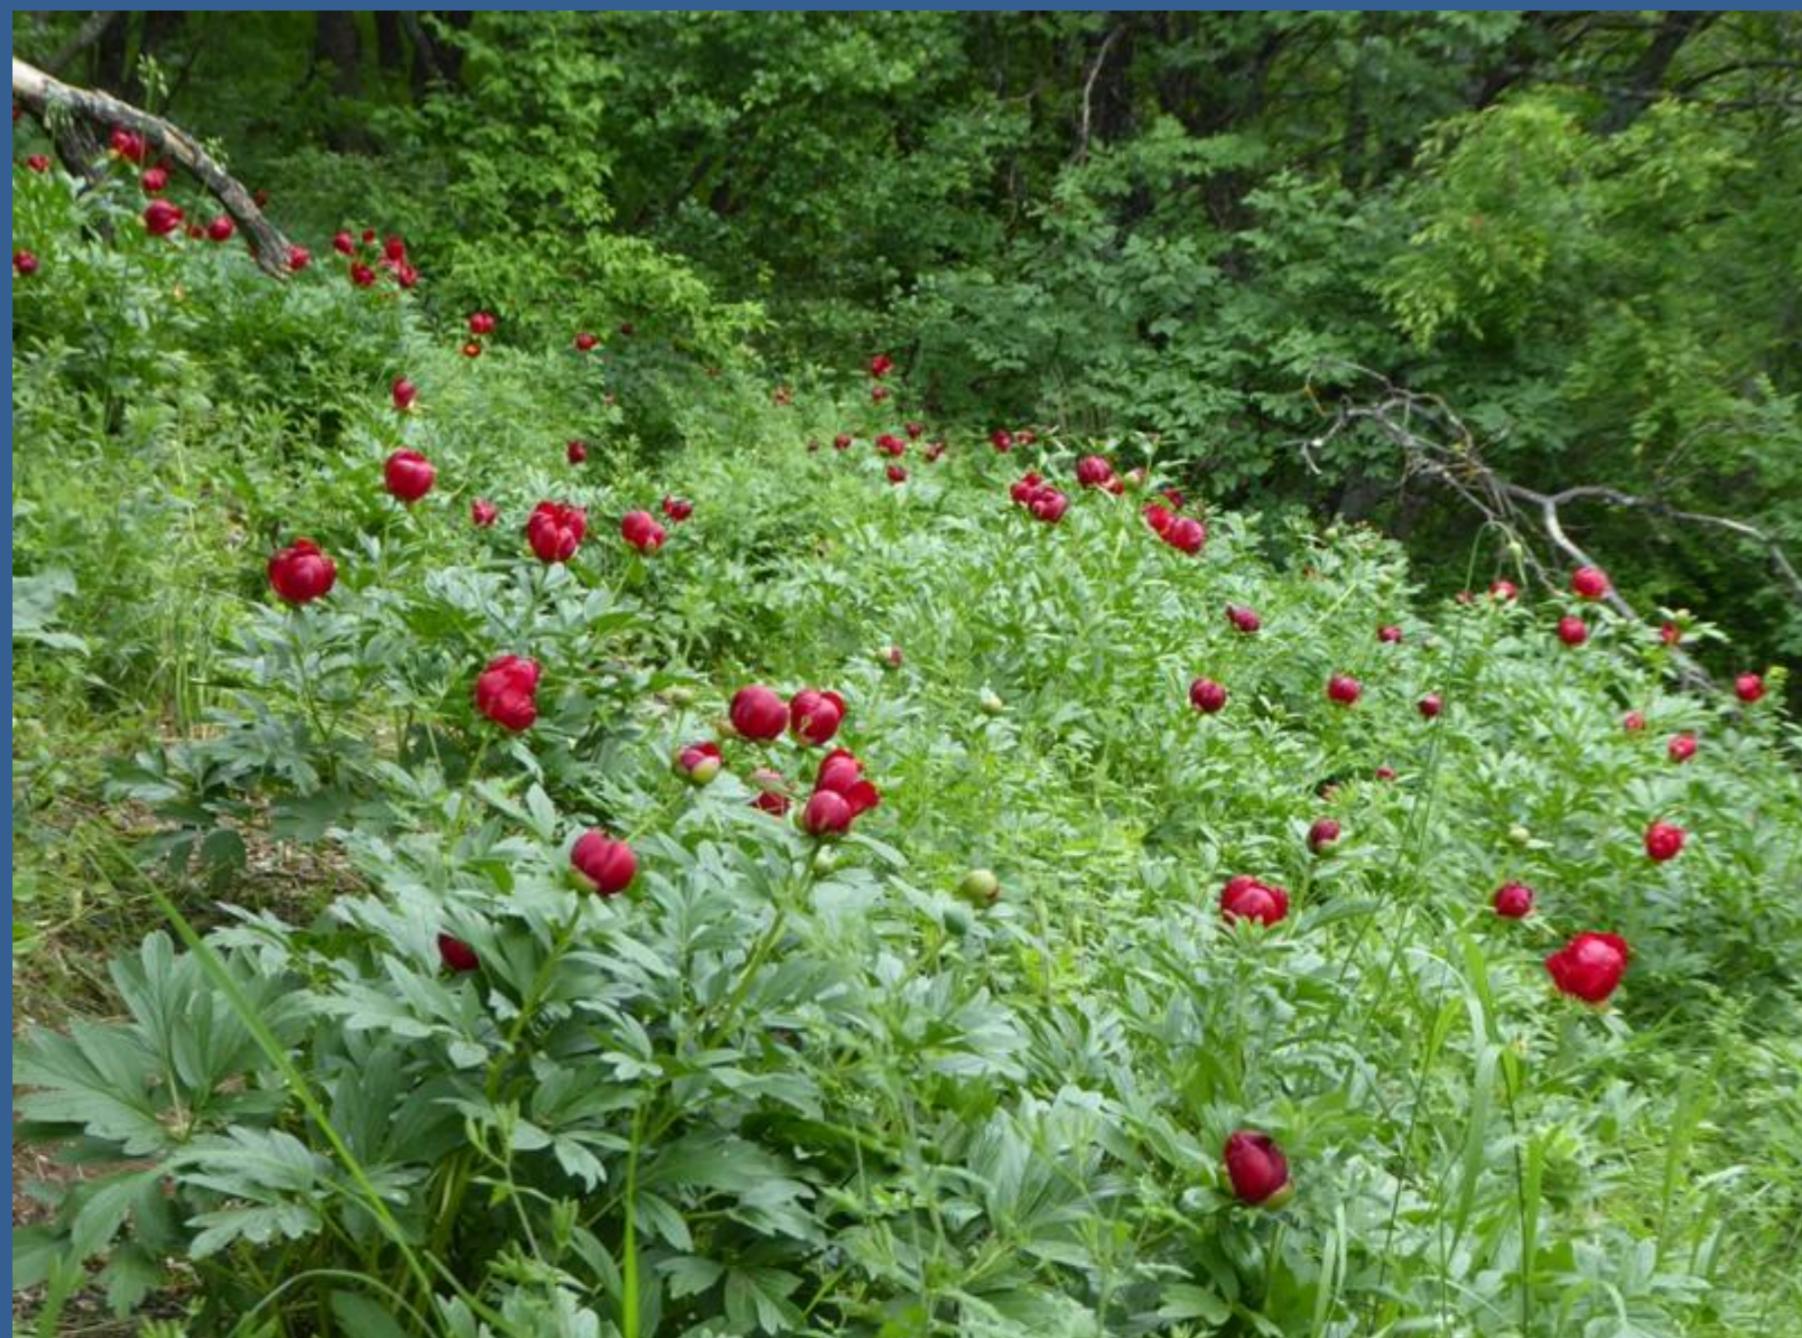

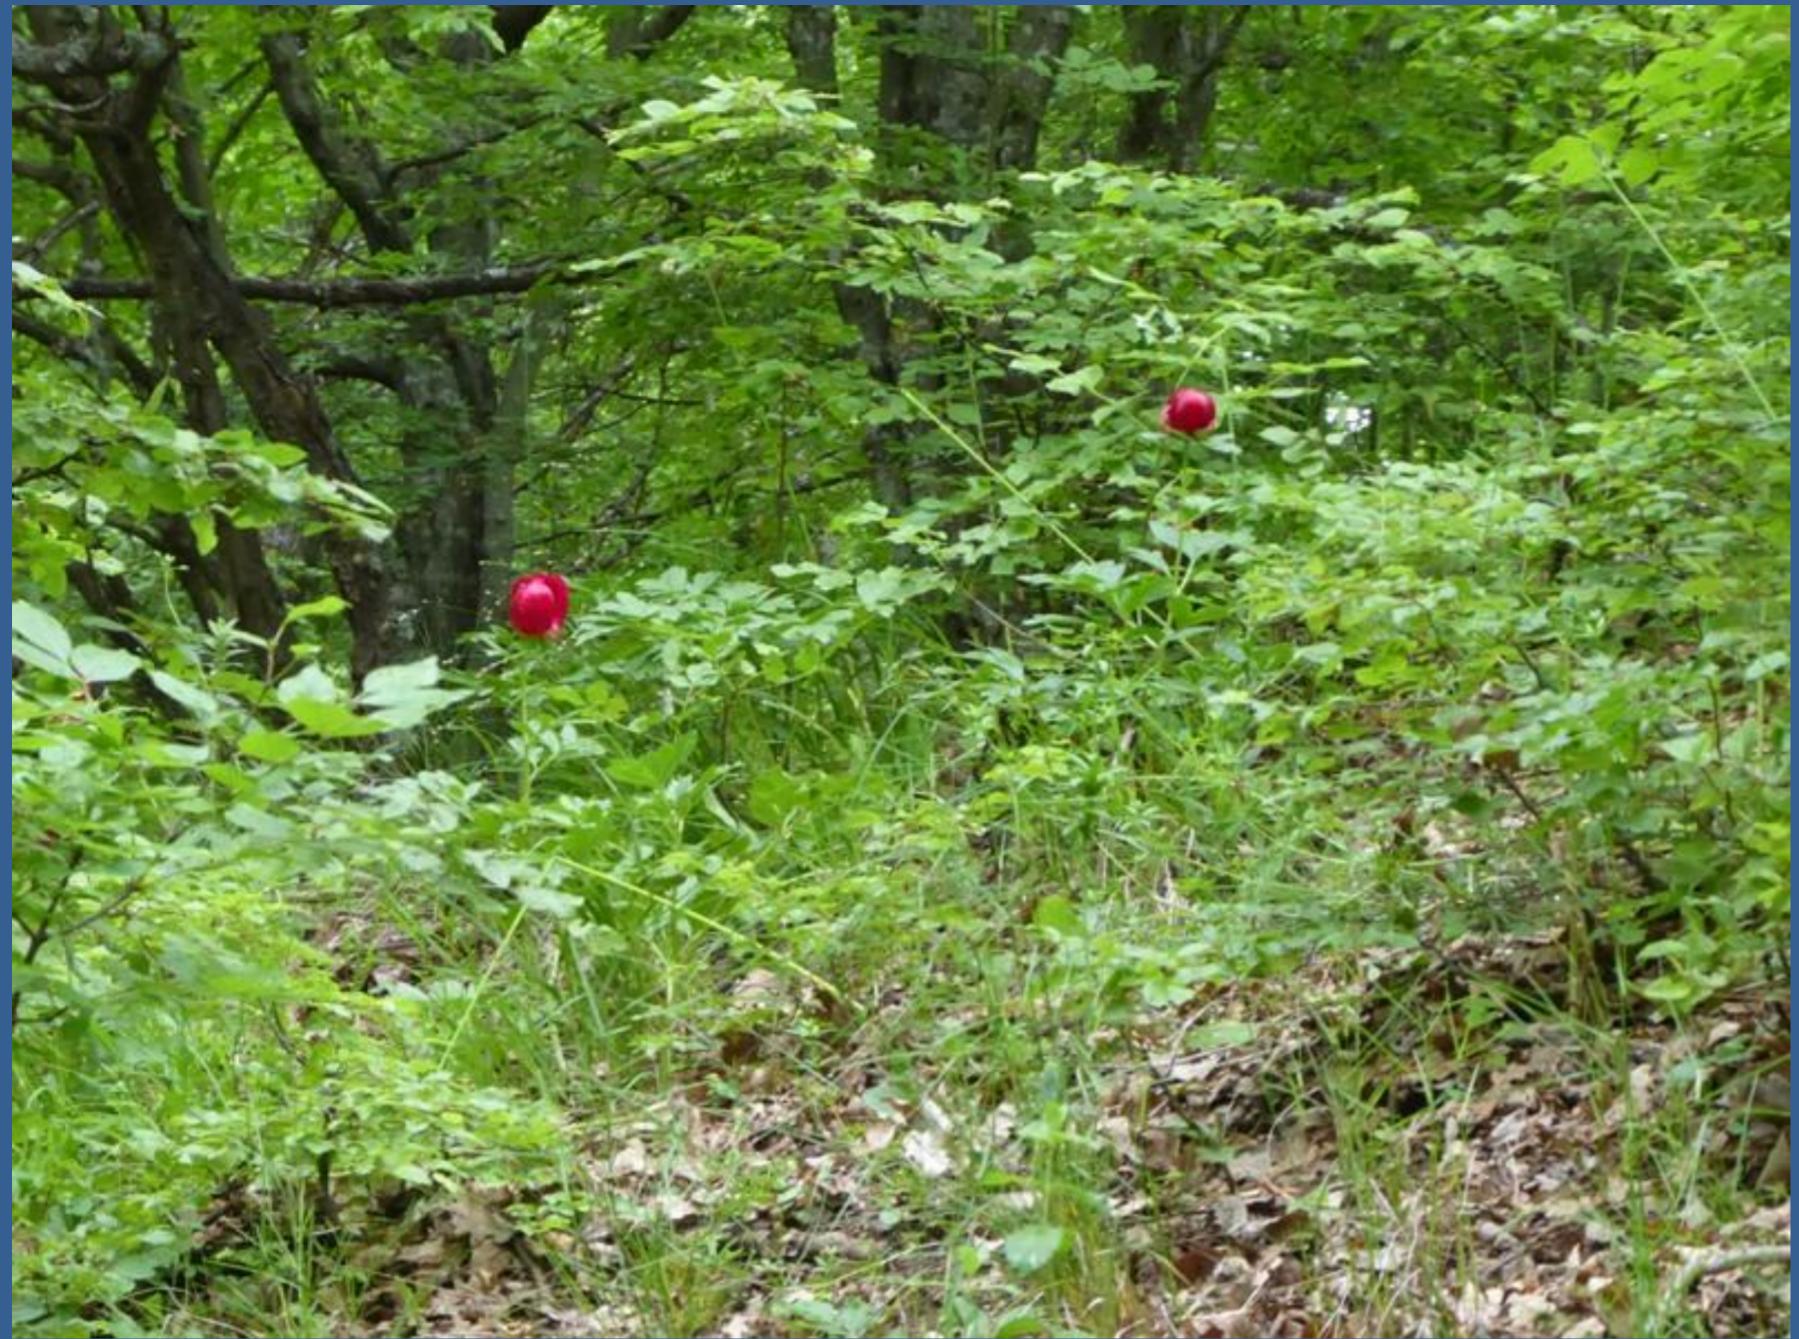

Wir merkten bald, dass wir in einem Urlaubsgebiet waren, die Wege waren gut markiert, es gab Gebietskarten und es gab keine verrückten Wachhunde, trotz der großen Schafherden.

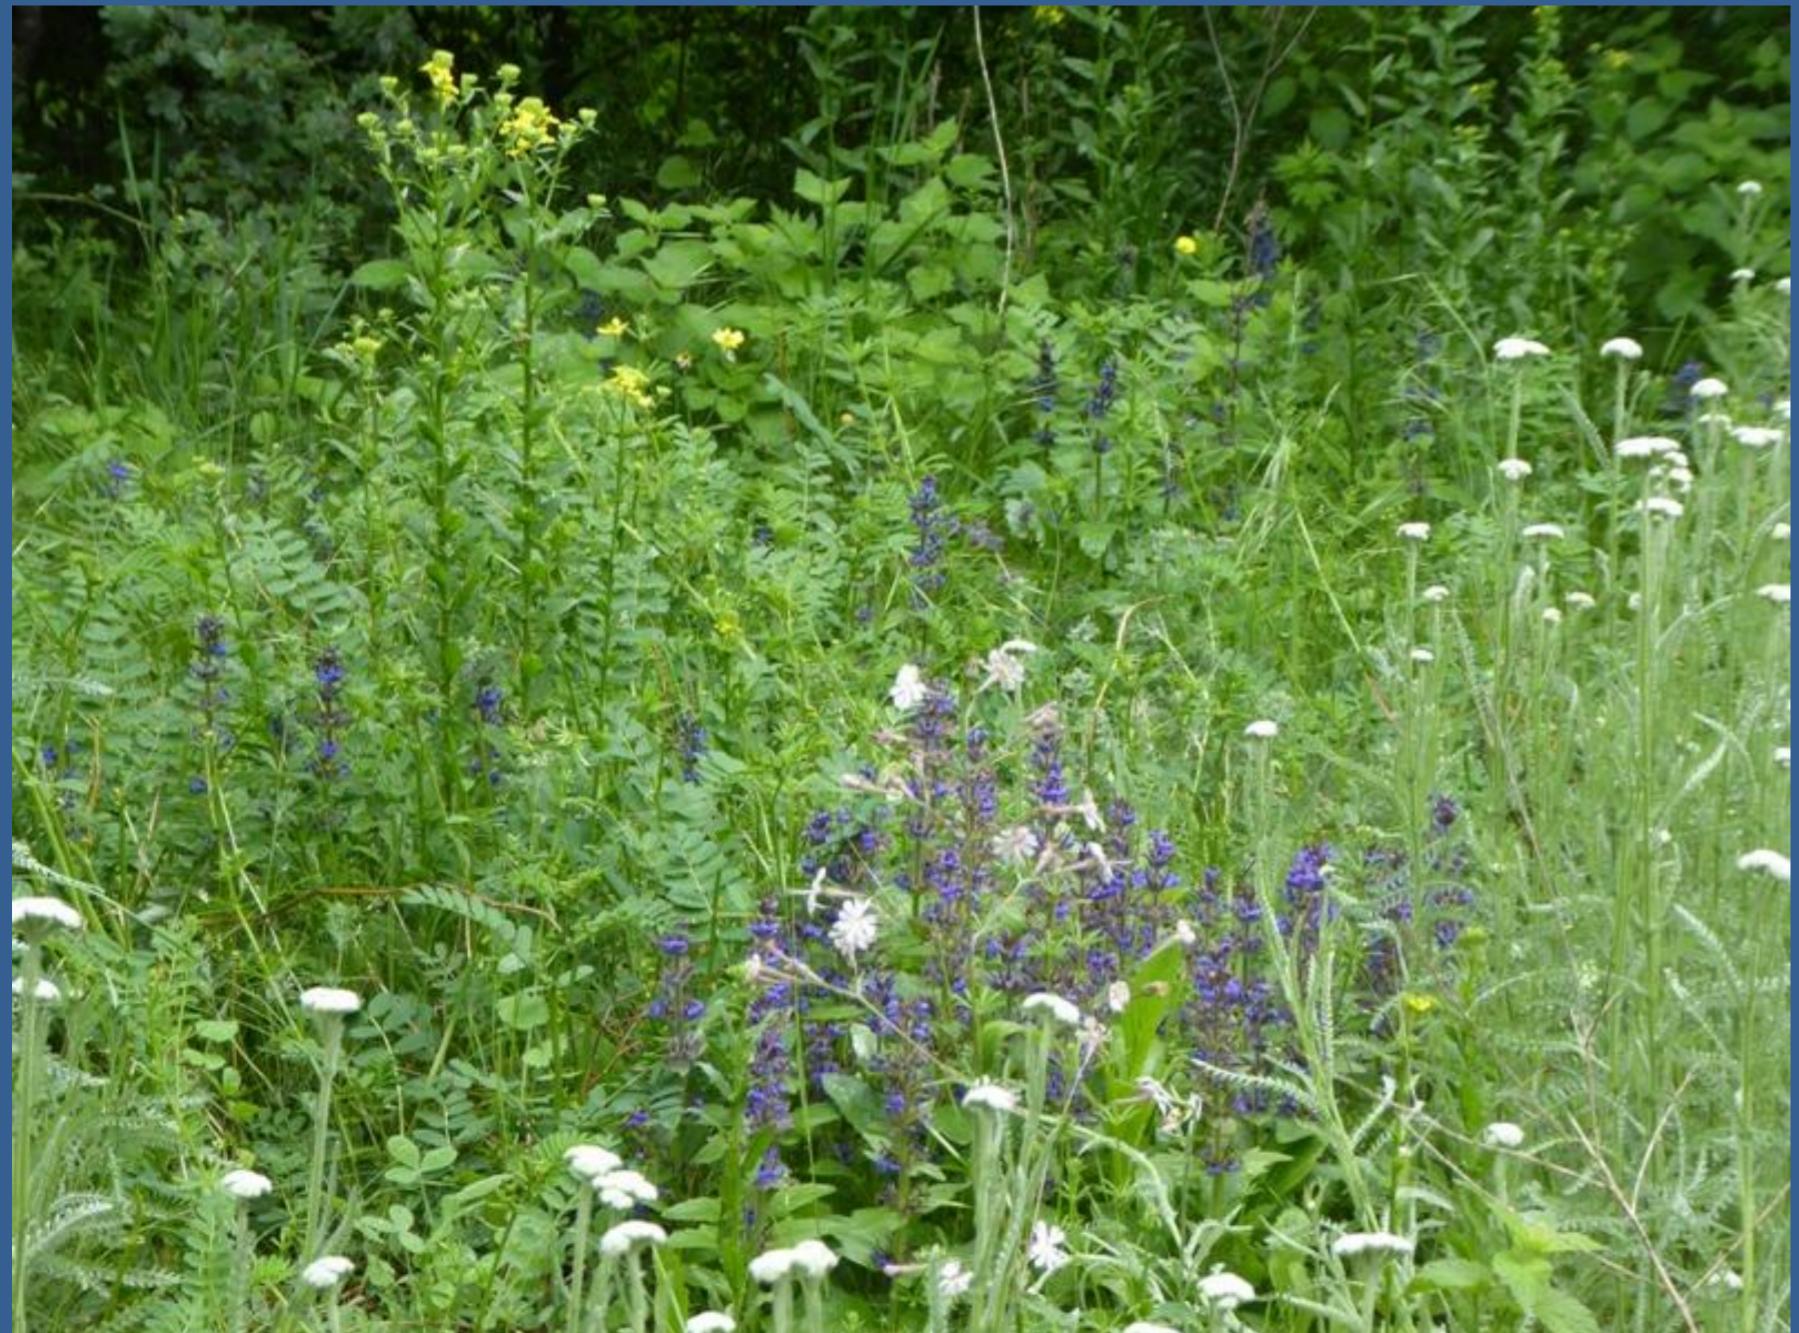

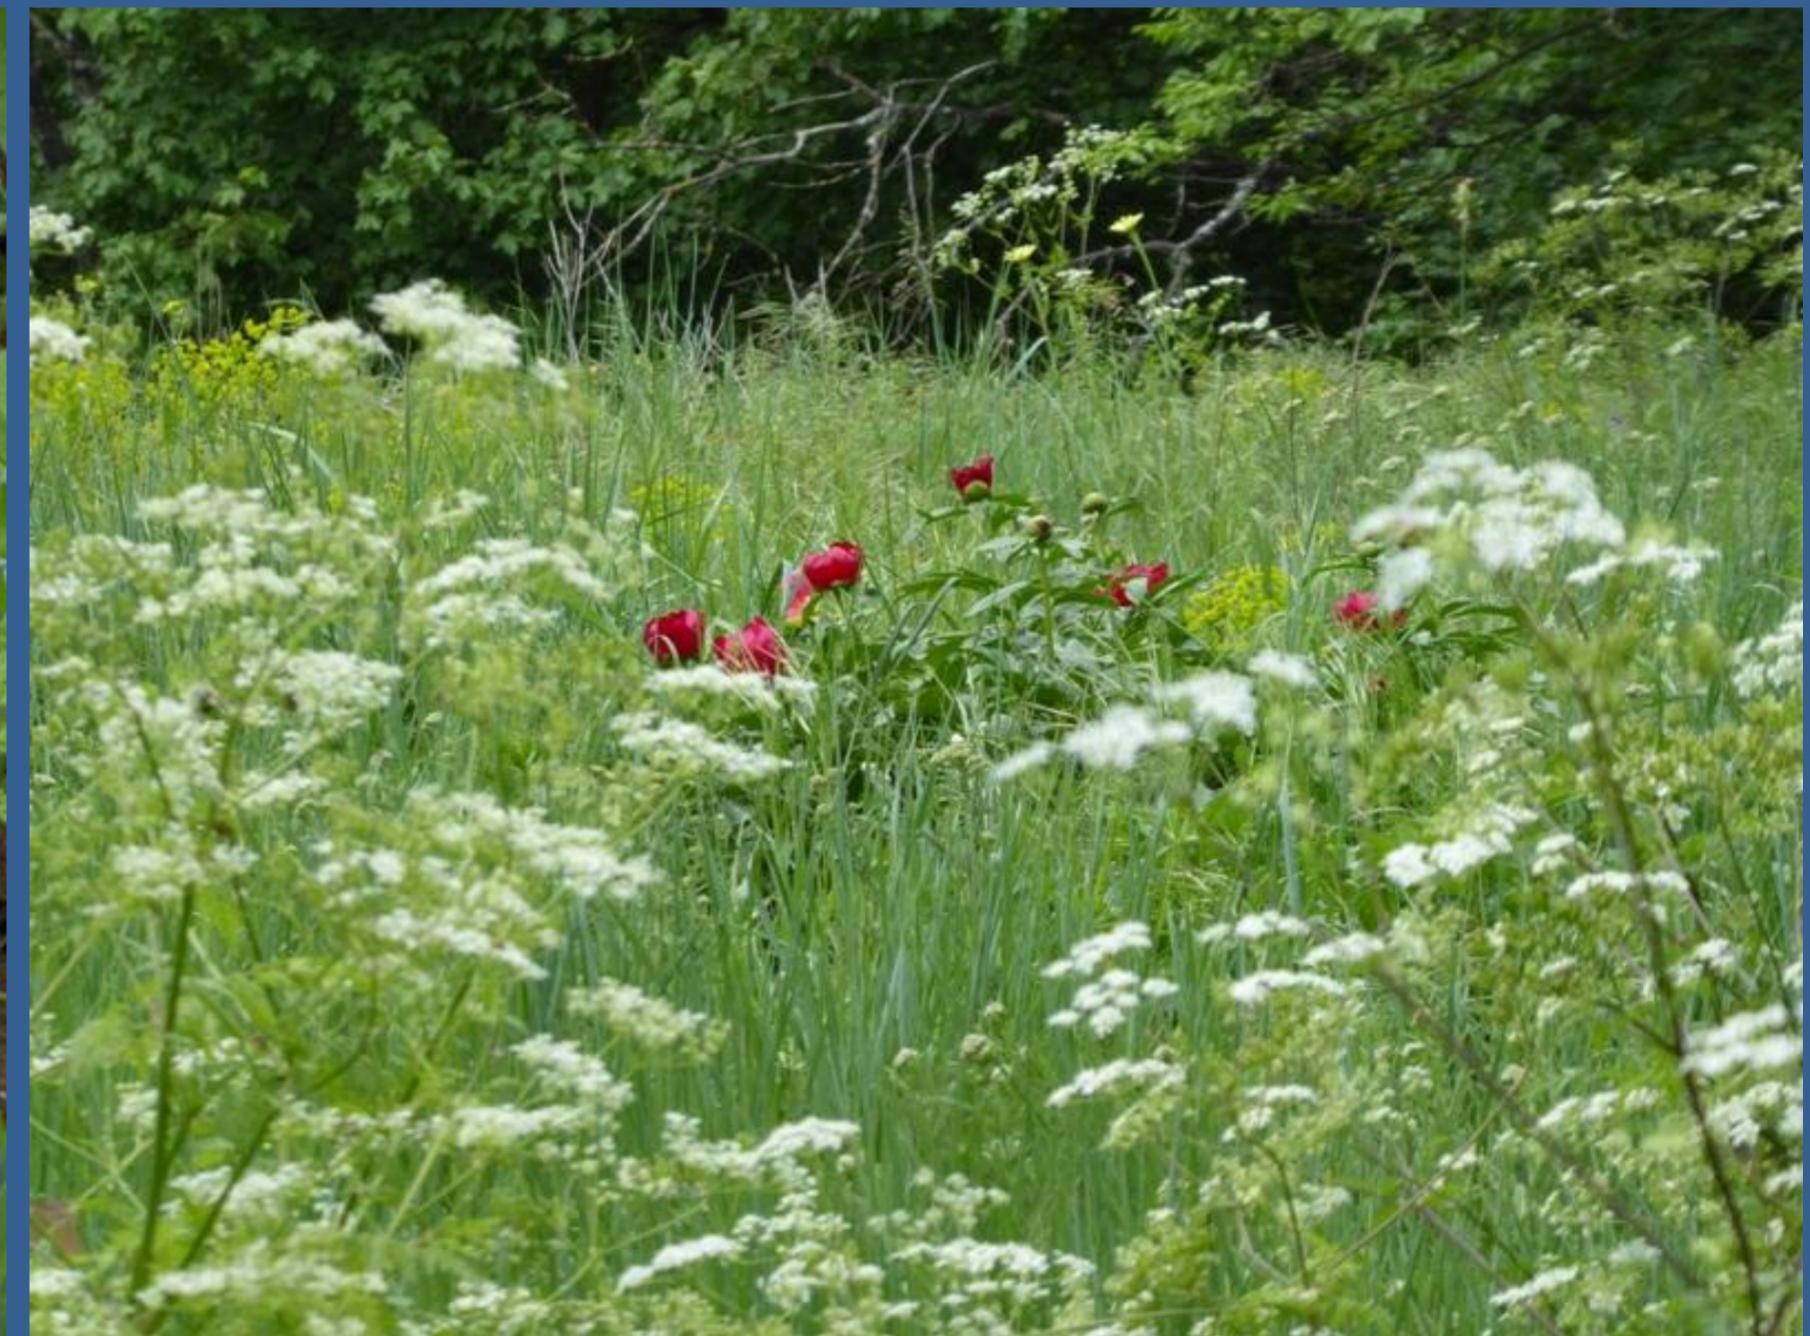

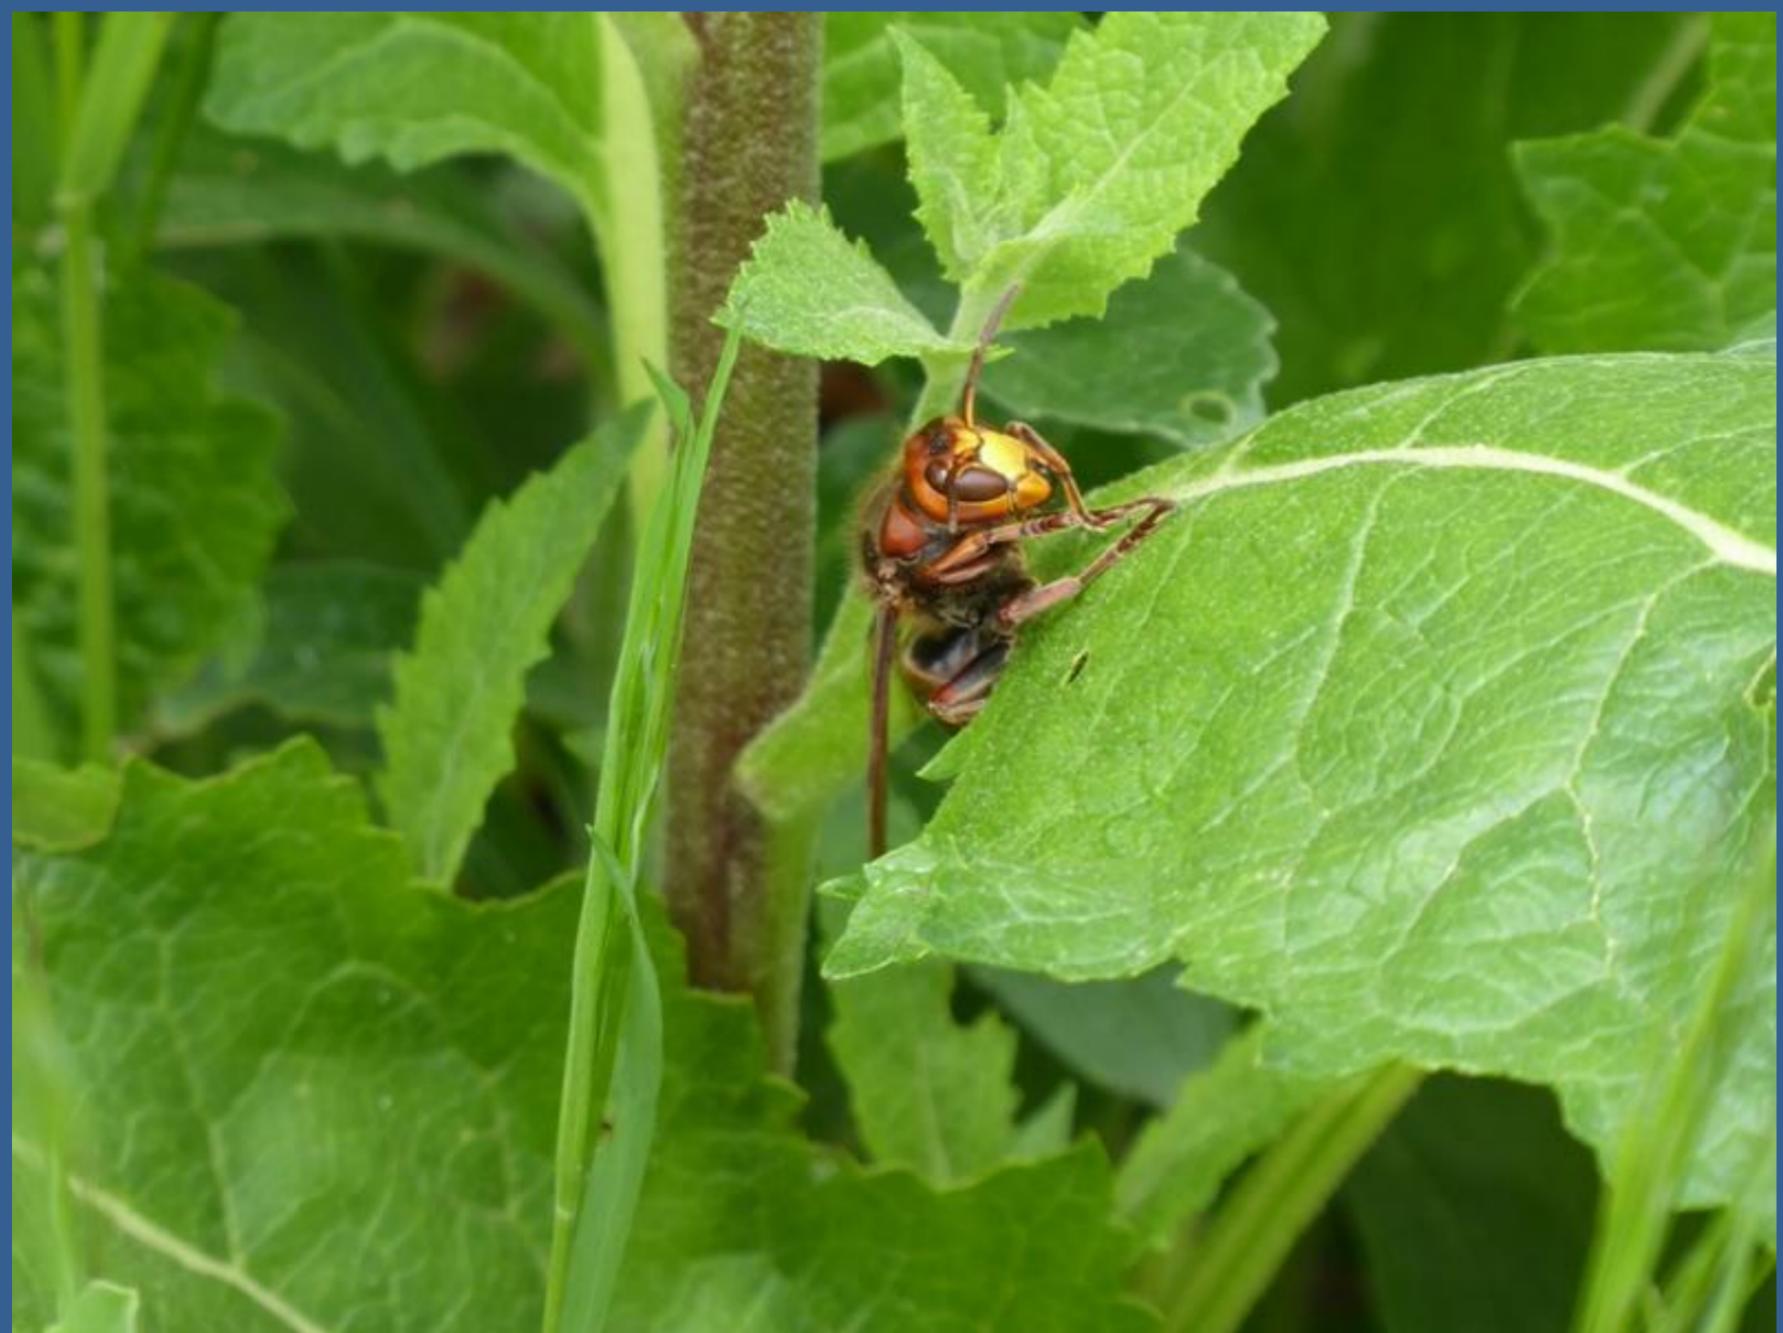

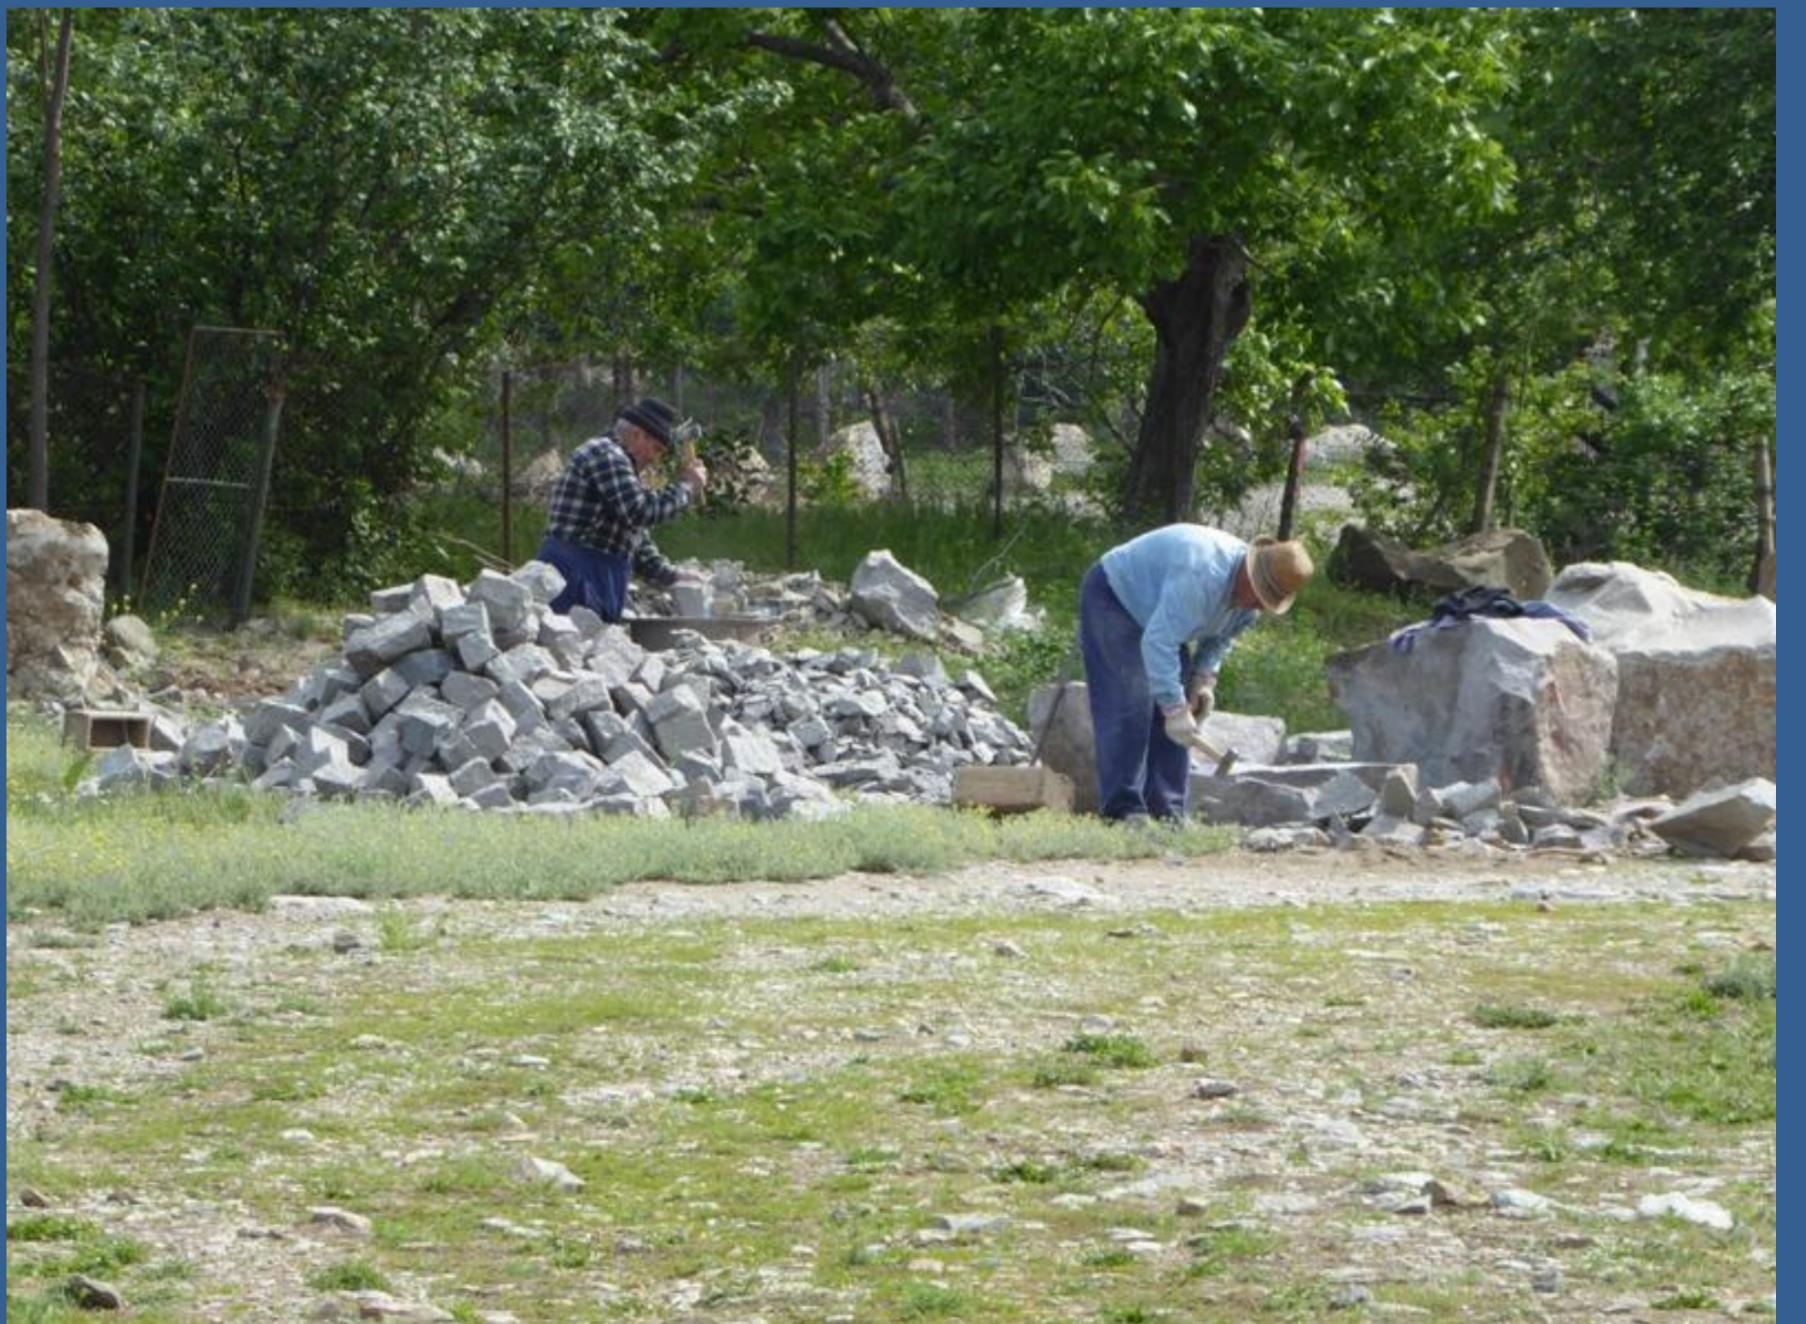

MACIN MOUNTAINS NATIONAL PARK

TUTUIATU TRAIL

Mark: Blue Triangle

Length: 7Km

Route: Greci - Morsu Valley (Valea Morsu) - Tutuiatu Peak (Vf. Tutuiatu) - Seaca Valley (Valea Seaca) - Beech Valley (Valea Fagilor) - Cetatuia - Luncavita

Camping place: Seaca Valley (Valea Seaca)

The trail starts in the town of Greci "climbing" the biggest granitic formation of Macin Mountains that has emerged approx. 295 million years ago. Tutuiatu peak is the most spectacular vantage point on the western side of the Macin Mountains, which is the highest peak (467 m). Panorama is vast and impressive, noticing Pricopan Peak and the main ridge of Macin Mountains, towns of Galati, Macin, Braila, Depression of Greci, Iacob Deal peak, Nature Reserve Chervant - Priopcea and the Danube branches. In the forest we meet landscapes of Balkan, Mediterranean and Central European forest, which in mixtures give a wide variety of foliage color.

Tariff for entering the park on the marked trails - 6 RON/person

Tariff for camping in the designed areas within the park - 6 RON/ person/night

Tariff can be paid at the office of MMNPA in Tulcea and Macin and at park rangers.
